

Did You Know?

- We solicit and maintain relationships with local and national donors on the behalf of partner agencies. These include: Kroger, Wal-Mart, Meijer, Hillshire Farms/Sara Lee, Con Agra, Tropicana, Kellogg's, Pillsbury, Nestle, Amazon, United Dairy Farmers, Kraft, and more. Companies give to the Foodbank network because of our ability to respond to large donation offerings, and manage their transportation, receipting and inventory needs. Our motto is "One Call Takes It All."
- We provide partner agencies, education, tools and resources to help build agency capacity, be more efficient & effective and remain sustainable to serve more people in need.
- We solicit and award agency grants and distribute in-kind donation on behalf of Partner agencies.
